Written by Jack Johnson

[Intro]

```
Dm   F   Bb   F
Dm   F   Bb   F
```

[Verse]

```
Dm                        F
 I know she said it's alright
Bb                               F
   But you can make it up next time
Dm                     F
I know she knows it's not right
Bb                      F
   There ain't no use in lying
Dm                     F
Maybe she thinks I know something
        Bb                         F
Maybe maybe she thinks its fine
Dm                 F
Maybe she knows something I don't
       Bb          C
I'm so, I'm so tired, I'm so tired of trying
```
[Chorus]

```
F                         C
   It seems to me that maybe
Dm                        A
   It pretty much always means no
  Bb              C              F            C
So don't tell me you might just let it go
F                  C
   And often times we're lazy
Dm                        A
   It seems to stand in my way
     Bb            C
Cause no one no not no one
                  F              C
Likes to be let down
```

[Verse] (there are rhythm changes in this verse)

```
Dm (hold)              F (hold)
I know she loves the sunrise
Bb (hold)                      F (hold)
   No longer sees it with her sleeping eyes
   Dm (hold)                      F (hold)
And I know that when she said she's gonna try
Bb (hold)                        F (hold)
Well it might not work because of other ties and
Dm                       F
I know she usually has some other ties
      Bb                        F
And I wouldn't want to break 'em, nah, I wouldn't want to break 'em
Dm                         F
    Maybe she'll help me to untie this but
Bb              C
Until then well, I'm gonna have to lie too
```

F                         C

  It pretty much always means no
    Bb              C              F          C
So don't tell me you might just let it go
F                         C
   And often times we're lazy
Dm                        A
   It seems to stand in my way
    Bb                C
Cause no one no not no one
                        F              C
Likes to be let down

  It pretty much always means no
    Bb              C              F          C
So don't tell me you might just let it go
