D -----

wake up son of mine

momma got somethin' to tell you

changes come
with your pride, son

life will have its way
take it like a man

hang on son of mine

the storm is blowing up your horizon

changes come
take the high road

keep your dignity
take it like a man

listen up son of mine
all about growing pains
where the light don't shine, son

momma got something to tell you
life will pound away
take it like a man

suck it up son of mine

fucker blowing up your horizon

changes come
take the high road

keep your dignity
take it like a man

momma said like the rain
like a kidney stone
it's just a broken heart, son

(this too shall pass)
(this too shall pass)
this pain will pass away
