

# Do You Realize?

The Flaming Lips

Standard Tuning

Intro

C Em Am D7

Do you realize?? That you have the most, beautiful face.

Do you realize?? We're floating in space.

Do you realize?? That happiness makes you cry.

Do you realize?? That everyone you know someday will die.

and instead of saying all of your goodbyes

let them know you realize that life goes fast

it's hard to make the good things last

you realize the sun doesn't go down

it's just an illusion caused by the world spinning 'round

do you realize?

do you realize that everyone you know someday will die

and instead of saying all of your goodbyes

Realize that life goes fast, it's hard to make the good things last.

You realize that somin' doesn't go down, it's just an illusion

caused by the world, spinnin' round.

Do you realize?? That you have the most, beautiful face.

do you realize??
